If you have 30 minutes...

Head over to L1 City Hall Wing for:

**Kindness Garden by Hiromi Tango (Japan / Australia)**

**#7 on the Map, 10 minutes**

What does it take to be kind? It starts with thinking about other people – how they feel and what they need. By tapping on your senses of touch, sight, sound and smell, this beautiful 'garden' with brightly coloured, giant flowers marked with Braille invites you to discover how.

**Dance Dance Chromatics by Wyn-Lyn Tan (Singapore)**

**#8 on the Map, 10 minutes**

Walk into this AI-generated landscape based on the artist's works, and take it all in. Move around the interactive installation, wave your hands, dance around and help her change it.

**Home is Where the Heart Is (Singapore)**

**#6 on the Map, 10 minutes**

We live in houses of different shapes and sizes. But what exactly makes them a home? Explore this installation inspired by the painting of a traditional Malay longhouse in a kampong by artist Mohamed Salehuddin.
